This is My Chamber!

Approaching 400 members and growing. 80 years of serving Salem County Businesses

The Salem County Chamber is the only organization dedicated to fostering and encouraging a thriving business community for all of Salem County. The Chamber provides a forum for the business community to express opinions and concerns regarding issues that can affect the future of your business.

Our Mission

The Chamber builds relationships and offers professional resources, seminars and networking events to promote our members and help them grow their business.

Our Membership size is quickly approaching 400 businesses, churches, corporations, non-profits and government entities in Salem County and the surrounding region. We serve our members by offering opportunities to engage, gain exposure, market their businesses and learn new skills through:

Marketing: Chamber website, social media and weekly E-News distributed to over 5,000 households

Networking: Variety of events each month to connect and network to expand your contacts

Education: Powerful, low cost seminars and webinars to help you and your employees improve your knowledge base

Government Relations: Powerful relationships with local, state and federal legislators and act on legislation that impacts business in Salem County.

We offer:

- A Voice in Legislation
- Business Seminars & Webinars
- Customer and Client Referrals
- Networking Opportunities
- Brand Enhancement for Your Business
